Hearing held on 22-03-2022

DAILY ORDER

Order pronounced.

11.5. With the above findings on the two issues discussed above, direct the Respondent that - Any internal instruction issued by the TANGEDCO shall have to be in line with the Orders of the Commission. In case any contravention of Orders/Regulations is found/pointed out at any level, it has to be rectified immediately on their own. The Respondent should not take advantage of any such mistakes and wait for same to be pointed out by any of the HT Consumer/their Association. Having been pointed out by the petitioner on specific contravention of the Orders/Regulation, it should have been attended to by the Respondent immediately. The consumers should not be forced to approach the Commission on every such occasion for remedy. As the Respondent issued instruction for rectification of error and directed field officials to effect refund, it is seen that most of requests of refund of Scheduling & System operation charges have already been settled by the Respondent during the course of hearing itself, hence we are not ordering for any action under Section 142 of the Electricity Act 2003; however, if any of such non-compliance/violation of Orders is brought to the knowledge of the Commission in future action will be initiated under Section 142.

With these directions, this petition is disposed of.
