**M.P.No.21 of 2009**

**Date of Order: 14-12-2009**

M.P. No.21 of 2009 was taken up for consideration. The proposal relates to determination of a reliability charge to be levied on such of the HT consumers who seek exemption from evening power cut. As the proposal seeks to levy a tariff related charge, Section 62 of the Electricity Act, 2003 is attracted. The procedure for determination of tariff related charge is prescribed in Section 64 of the Act.

2. The distribution licensee is directed to publish an abridged version of the above proposal at least in two Tamil and two English dailies on 17<sup>th</sup> December 2009. The advertisement may stipulate that objections

and suggestions would be received by the Tamil Nadu Electricity Regulatory Commission upto 24<sup>th</sup> December 2009. A copy of the objections and suggestions should be forwarded by the objectors to the distribution licensee, who should respond to the objections and suggestions with intimation to the Commission. A copy of the above application should be hosted in the website of the distribution licensee and a reference may be made to that effect in the newspaper advertisement.

3. The proposal may be considered by the State Advisory Committee in terms of Section 88 of the Act on 23<sup>rd</sup> December 2009. The application may be subjected to public hearing in terms of Section 64 (3) of the Act on 30<sup>th</sup> December 2009.
