Chennai – 600 002.

..... Respondent
Rep by Thiru P.H. Vinod
Pandian, Advocate

Date of hearing 12-9-2011

Date of order : 12-9-2011

The above MP No. 20 of 2011 praying for punishing the respondent for non-compliance for the orders of the Commission in DRP No. 5 of 2010 dated 7-9-2010 came up for hearing on 12-9-2011. The counsel for TANGEDCO

submitted that the payment will be made in three months time. After hearing both sides, the Commission passed the following:-

ORDER

MMS Steel & Power Pvt. Ltd. has filed a petition under section 142 of the Electricity Act, 2003 for implementation by the TANGEDCO of the orders of the Commission in D.R.P. No. 5 of 2010 dated 7-9-2010. It is more than a year since the orders were passed. The TNEB neither filed an appeal against the orders of the Commission nor did implement the orders of the Commission. This is a strange situation. Even after filing the contempt petition, the TNEB does not pay up, but pleads for time of three months. It is pathetic state of affairs which the Chairman, TANGEDCO and the Board of TANGEDCO should take note of. The finances of the TANGEDCO were better in September 2010 than what it is today in September 2011. It is not clear how the TANGEDCO would pay up. This petition is disposed of with the direction that the TANGEDCO would pay the dues in three months failing which proceedings under section 142 would be revived.
