.. Petitioner

In the matter of orders requesting for purchase of power generated in co-generation plants by using imported coal as fuel during non-crushing season for the year up to 15-12-2008 or date of commencement of crushing season whichever is earlier at the rate to be fixed by the Hon'ble Commission.

The above M.P. No.41 of 2008 praying for permission to the TNEB to purchase of about 250 MW power from co-generation plants within Tamil Nadu using imported coal as fuel during non-crushing season for the period up to 15-12-2008 at the rate of Rs.7.41 per unit came up for hearing on 5th December 2008. The Commission passes the following order, namely:-

ORDER DATED 5th DECEMBER 2008

TNEB has submitted a prayer for withdrawal of M.P. No.41 of 2008. The same is allowed. The Commission observe that the letter dated 1-11-2008 issued by Chief Engineer, Non-conventional Energy Sources on the procurement of power from co-generation plant is a clear violation of the Commission's order in M.P. No.33 of 2008 and also is a violation of Sections 62 and 63 of the Electricity Act 2003 on tariff fixation. Appropriate action to be initiated by the Secretary of the Commission in this case.

Pronounced in the open court by this Commission on the fifth day of December 2008.
